

Atlas - Stone XL

General: Detailed STONE effect porcelains decorate spaces with natural simplicity. With extraordinary creative potential, the large formats acquire even more earthy, expressive strength - with a totally natural touch. * = NEW colour way for Feb 2021
NB = Natura Body technology where the material has the same body throughout, and applies to 20mm and 12mm thickness.

Applications: From wall and floor coverings to furnishing elements, including bathroom vanities or kitchen bench tops, retail counters and table tops. Suitable for residential and commercial environments, with both indoor and outdoor applications.
