

Rocks

General: The Rocks collection is born from marble that displays luminescent views and great variance in characteristics. Authentic in every detail this beautiful series of stoneware tiles create the ambience of natural marble but with all the technical qualities of hard wearing porcelain.

Applications: Commercial & residential in and out doors, including foyers, shopping centres, public areas, boutiques, living rooms, kitchens, patios, balconies - for all floors and walls applications (including step treads, coping and swimming pool surrounds)
