

Rockstone Grip

General: Imagine the beauty of “the original Pierre bleue”.....its history, its colour, its structural properties, then think of the possibilities combining the superior technology and design of Italy, then put it all together in a supremely practical tile of matchless strength. Bluestone Evolution adds 5 new colours to the Bluestone series, ranging from deep blues & blue blacks through to the dark grey ‘Rockstone Grip’ that was specifically designed for exterior paving.

Applications: Commercial & residential outdoors, including shopping centres, office buildings, restaurants, galleries, court yards, living areas, balconies, patios, step treads and pool surrounds (with lamination and various edge detail finishes being achieved)

Origin:	Italy	
Colours:	Rockstone Grip	(Dark blue grey)
Sizes:	600 x 600	
Thickness:	20mm	
Finishes:	Grip - rough finish	(outdoors)
Type:	Fully vitrified, unglazed	
Appearance:	Emulates bluestone	
Production:	Porcelain stoneware with rectified edges	
Technical:	Microban Antibacterial Technology <i>(not available in Rockstone Grip)</i> Water Absorption less than 0.05% Frost Resistant (-35C) Scratch Resistant Stain Resistant – Class 5 (use hot running water) Linear thermal expansion - ISO 10545-8 (a $\pm 7 \times 10^{-6} \text{ }^{\circ}\text{C}^{-1}$) Breaking Strength EN 620Kg/cm ² Fire Retardant	
Slip Resistance:	Rockstone Grip - (DIN 51130) R11	
Guarantee:	20 Years – for residential & public buildings
