

GO CRAZY

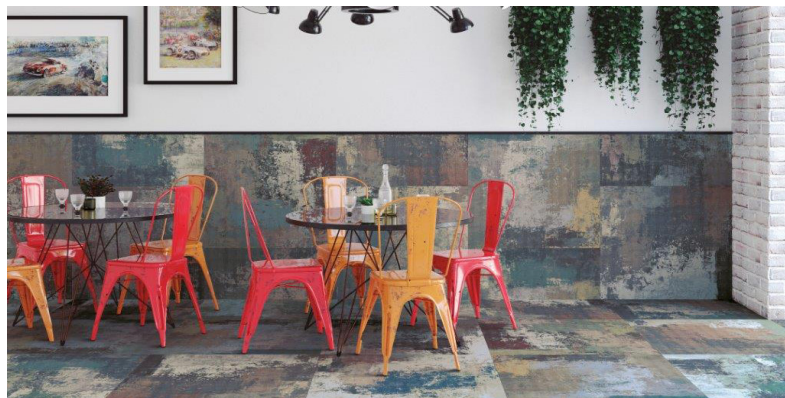

General: Inspired by Abstract Expressionism, Go Crazy collection goes beyond and focuses on the aesthetics of Action Painting that put the emphasis on the act of painting itself. This pictorial current expression on hard surface porcelain is more like a canvas than an image. In this collection, the surface design, spontaneously and energetically, becomes a Space of Freedom.

Applications: Suitable for all residential & commercial Floor and Wall interiors, retail fit outs, private homes, public, commercial spaces and hospitality projects.
