

Wood Side

General: Wood Side is an amazing porcelain stoneware reproduction of timber with all the natural irregularities of wood combined with the high performance of porcelain stoneware for a durable, versatile, innovative and undisputed charm. Available in a variety of sizes & finishes, including Grip R11 finish, this timber porcelain is the perfect tile to create a seamless transition from indoors to out - even clad wall surfaces and benchtops.

Unlike wooden floors, this tile does not require sealing, waxing, polishing or any timber care maintenance. Simply lay and wash or spot clean as required.

Applications: Commercial & residential in and out doors, including foyers, shopping centres, public areas, boutiques, living rooms, kitchens, patios, balconies - for all floors and walls.
