

Dolmen

General: This series of porcelain stoneware tiles uses the natural tones of the earth to create simple and modern hard surface areas for both internal and external environments. These full bodied technical tiles display excellence in their hard wearing durability.

Applications: Commercial & residential in and out doors, including foyers, shopping centres, public areas, courtyards, living areas, patios, walls inside & out, step treads and pool surrounds, (with lamination and various edge detail finishes being achieved)
